4th European Mission-Net Congress
28 Dec 2015 - 2 Jan 2016 in Offenburg, Germany

WELCOME

I am very excited that we will be having the 4th Mission-Net congress once more in Offenburg, Germany, where about 3.000 young people from 50 European nations and beyond will gather to discover what God is envisioning for the European youth of today. Where does He call each of us to make a difference and where are we called to transform our world?

Our prayer is that this conference will become a turning point in your life, and that you will understand that God has a plan for you to make a difference in our world. He calls us all to go and take a stand in our communities and societies, to act locally and think globally.

Coming to Mission-Net, meeting so many people from different nations and cultures, worshipping God together and seeing that God is in love with Europe and beyond, will shake and shape your current worldview and it will be transformed into a more kingdom worldview. Get connected!

Evi Rodemann,
Director Mission-Net

CONNECTED

The theme of this years' congress is Connected. Get connected to God, to the world and to each other!

Who am I? What has God called me to do? How am I supposed to live? How am I supposed to get along with all these different people? Why is all of this so hard? If you have asked some or all of those questions then you are really going to appreciate the Bible expositions! This year we are going to take a look at the letter Paul wrote to the Ephesians.

We all know that the Church is extremely important but living as the Church isn't always very easy. But those who have committed themselves to living a transforming life are also willing to make every effort to live and to live well in the Body of Christ. At this congress we will be challenged beyond our comfort zones to understand our true identity and therefore our responsibility. Get ready... there are 6 powerful chapters that will leave us humbled, challenged and encouraged ... all at the same time! So come and connect!
